The flowers are in various stages of bloom, with some showing the characteristic dark purple 'blotch' on the yellow petals. The green foliage is visible between the flowers, creating a vibrant and natural setting. The central text is set against a semi-transparent purple rectangular background with rounded corners.

Put The Elderly In Prison

We should place the elderly in prisons because they will get a shower every day, video surveillance in case of problems, three meals a day, access to a library, computer, TV, gym, doctors on-site, and free medication if needed.

Put criminals in nursing homes and they'll get cold meals, lights off at 7pm, two showers a week, live in a smaller room and pay rent at \$4,000 a month!!!

It's pretty sad that we treat prisoners better than the elderly.
