Ephesians 4:23-24

**²³ to be made new in the
attitude of your minds;
²⁴ and to put on the new self,

righteousness and holiness.**

Revelation 21:1

**Now I saw a new heaven
and a new earth, for the first

more sea.**

Randy Alcorn

What IS a new earth? Not a difficult question. New is the adjective that modifies the noun EARTH. A new earth is an earth that is made new, or an earth that is renewed. We just started a new year. The new year is new, but in most critical respects it is like the old year, but with new twists. A new year is NOT a non year. The new earth will be righteous, and that's the heart of its newness— no more sin and curse and death. It will be earth as God meant it to be. It will be this same earth, but this same earth transformed into something new. .

Randy Alcorn

A New Earth is not a Non-earth, but an Earth restored to its original state.

Will the NEW earth be changed from this earth? Sure. The old order of things will pass away and all things made new. But what is the old order—it is the curse, death, suffering. The earth will be new above all because it will have all the bad stuff taken away. As the new Randy will be Randy without the bad stuff, the new earth will be earth without the bad stuff.

The overall color palette is dominated by the blue and grey tones of the blueprint, with the skin tones of the hands and the white bar providing contrast.
