### *The Message*

**8:1** The question keeps coming up regarding meat that has been offered up to an idol: Should you attend meals where such meat is served, or not? We sometimes tend to think we know all we need to know to answer these kinds of questions - **8:2** but sometimes our humble hearts can help us more than our proud minds. **8:3** We never really know enough until we recognize that God alone knows it all.
