The background of the slide features a series of overlapping, wavy, translucent blue bands that create a sense of movement and depth. The colors range from light, airy blues to deeper, more saturated blues, with some areas appearing to glow or have a soft gradient. The overall effect is a modern, fluid, and somewhat ethereal aesthetic.

Abraham, Moses, Gideon, David

The background of the entire image is a view of Earth from space. The planet is shown in a curved, semi-circular shape, with blue oceans, green and brown landmasses, and white clouds. A bright, glowing sun is positioned behind a circular hole in the Earth's surface, creating a lens flare effect. The sun's light illuminates the inner edge of the hole and casts a soft glow on the surrounding Earth.
